Good day, Madame Perron,

Yes, I have just done it.

A little word of thanks.

To the members of your Association,

On behalf of our entire team, we would like to express our heartfelt gratitude for your generous gesture toward our association. Your support goes far beyond financial assistance: it is a true encouragement that motivates us to continue our mission with even greater determination.

Your support perfectly reflects the values of sharing and cooperation that are at the heart of community organizations.

A huge thank you; with all our gratitude and friendship,

The Château-Richer Centre for Genealogy, Archives and Cultural Heritage
